

POP-UP CHILD CARE

WHO WE ARE

- We are a women-run social enterprise offering innovative child care solutions, while providing equitable employment for immigrant women.
- Pop-Up was launched in July 2019 by Pacific Immigrant Resources Society (PIRS), a non-profit organization helping immigrant and refugee women since 1975.
- We provide on-demand, on-site, child care services for children 18 months to 12 years-old, available days and evenings, seven days a week.

WHAT WE PROVIDE

- Supervised, trauma-informed play-based childminding programs with age-appropriate toys
- Qualified child care workers with current First Aid certificate and criminal record check
- Substitute staff for child care centers, preschools, and out-of-school care programs to support workforce shortages
- Custom child care solutions based on your needs

Improve your access to qualified child care workers, while also supporting employment opportunities for immigrant women and the development of the child care profession!

"The gala night is our busiest, fastest-moving, and most important night of the year for us, and we felt completely supported and comfortable knowing that childminding was covered. The space looked beautiful and so, so fun for the kiddos to enjoy."

- Emily Chan, BC Child Youth Advocacy Coalition

BENEFITS OF HIRING US

- **Focus on what you do best** - We take the headache of recruiting and scheduling qualified child care staff, and building a safe, play-based environment.
- **Increase participant attendance and engagement** - On-site child care enables parents to better engage with your program, event, service, or business by knowing their children are safely cared for.
- **Improve relationships** - Considering the child care needs of your customers, clients, or audience fosters trust and strong relationships.
- **Build stronger communities** - When children play together, their parents get to know one another too, encouraging a community to develop around your organization.
- **Support women's empowerment** - Pop-Up Child Care provides employment opportunities for immigrant and refugee women building careers in the early learning and child care sector.

Contact us today so we can build a custom on-site child care solution for your event, service, or business!
